CHAMBER OF THE MUSES

The main hall of the villa —beautifully frescoed in the 18th century with allegorical motifs inspired by the muses of arts and sciences— was conceived to entertain guests with Baroque music concerts, theater and literary salons in the evenings. It grants access to both the front garden and the Romantic garden, coffee house, and lake.

With Wi-Fi access and an audio system for music and conferences. Video projector, wireless printers and other technical services are available upon request.

'ANTICA TINAIA'

For centuries, the great wines of the Estate fermented in this room, including the very first Amarone. Today it is a large, comfortable space, ideal for conferences, fashion shows, dinners and dancing. Positioned directly above the historic wine cellar, guests can easily take an additional tour and tasting.

Equipped with Wi-Fi and audio conference system. Video projectors, lighting systems, simultaneous translation, video recording and other technical services available upon request.

ADDITIONAL ROOMS

SAN GAETANO CHURCH

This picturesque chapel with its bell-tower is perfectly built into the estate complex and seats up to seventy people.

DIMENSIONS

Surface Area..... 66m²
Seats..... 70 PEOPLE

THE HISTORIC CELLARS

The estate was first established for the production of fine wine and today this remains its primary purpose. On request, tastings may be arranged in the historic cellars which have witnessed centuries of harvests of the Valpolicella grape and where Amarone wine was first produced.
